Re: Cassie De Pecol

Dear Ms. Wolfe:

I write on behalf of Virgin Galactic in response to your request, on behalf of your client Travelers United ("TU"), for information regarding Cassie De Pecol, an influencer who claims to be Virgin Galactic's "first sponsored astronaut." I have reviewed our records and can confirm that Ms. De Pecol is not one of Virgin Galactic's customers (called "Future Astronauts"), either sponsored or otherwise. Accordingly, Ms. De Pecol's claim to be a "sponsored astronaut" with Virgin Galactic is false.

We have sent a cease-and-desist letter to Ms. De Pecol's counsel on the same date as this letter demanding that she cease using Virgin Galactic's name or claiming any relationship with our company.

Please do not hesitate to contact me at [REDACTED] if you have any further questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Futch".
